66 34 inks are available.

66 35 a. The department of natural resources shall review the
67 1 procurement specifications currently used by the board to
67 2 eliminate, wherever possible, discrimination against the
67 3 procurement of products manufactured with soybean-based inks.

67 4 b. The department of natural resources shall assist the
67 5 board in locating suppliers of recycled content products and
67 6 soybean-based inks and collecting data on recycled content and
67 7 soybean-based ink purchases.

67 8 c. The board, in conjunction with the department of
67 9 natural resources, shall adopt rules to carry out the
67 10 provisions of this ~~section~~ subsection.

67 11 d. The department of natural resources shall cooperate
67 12 with the board in all phases of implementing this ~~section~~

67 20 history record check of the applicant through the division of
67 21 criminal investigation of the department of public safety,
67 22 submit the applicant's fingerprints to the division for

67 28 abuse information established under section 235B.5 for
67 29 information regarding ~~applicants~~ the applicant for employment
67 30 as a teacher.

67 31 Sec. 104. Section 282.18, Code 2009, is amended to read as
67 32 follows:

67 33 282.18 OPEN ENROLLMENT.

67 34 1. a. It is the goal of the general assembly to permit a
67 35 wide range of educational choices for children enrolled in
68 1 schools in this state and to maximize ability to use those
68 2 choices. It is therefore the intent that this section be
68 3 construed broadly to maximize parental choice and access to
68 4 educational opportunities which are not available to children
68 5 because of where they live.

68 6 b. For the school year commencing July 1, 1989, and each
68 7 succeeding school year, a parent or guardian residing in a
68 8 school district may enroll the parent's or guardian's child in
68 9 a public school in another school district in the manner
68 10 provided in this section.

68 11 2. a. By March 1 of the preceding school year for
68 12 students entering grades one through twelve, or by September 1
68 13 of the current school year for students entering kindergarten,
68 14 the parent or guardian shall send notification to the district
68 15 of residence and the receiving district, on forms prescribed
68 16 by the department of education, that the parent or guardian
68 17 intends to enroll the parent's or guardian's child in a public
68 18 school in another school district. If a parent or guardian
68 19 fails to file a notification that the parent intends to enroll
68 20 the parent's or guardian's child in a public school in another
68 21 district by the deadline specified in this subsection, the
68 22 procedures of subsection 4 apply.

68 23 b. The board of the receiving district shall enroll the
68 24 pupil in a school in the receiving district for the following
68 25 school year unless the receiving district does not have
68 26 classroom space for the pupil. The board of directors of a
68 27 receiving district may adopt a policy granting the
68 28 superintendent of the school district authority to approve
68 29 open enrollment applications. If the request is granted, the
68 30 board shall transmit a copy of the form to the parent or
68 31 guardian and the school district of residence within five days
68 32 after board action, but not later than June 1 of the preceding
68 33 school year. The parent or guardian may withdraw the request
68 34 at any time prior to the start of the school year. A denial
68 35 of a request by the board of a receiving district is not
69 1 subject to appeal.

69 2 c. Every school district shall adopt a policy which
69 3 defines the term "insufficient classroom space" for that
69 4 district.

69 5 3. a. The superintendent of a district subject to a
69 6 voluntary diversity or court-ordered desegregation plan, as
69 7 recognized by rule of the state board of education, may deny a
69 8 request for transfer under this section if the superintendent
69 9 finds that enrollment or release of a pupil will adversely
69 10 affect the district's implementation of the desegregation
69 11 order or diversity plan, unless the transfer is requested by a
69 12 pupil whose sibling is already participating in open
69 13 enrollment to another district, or unless the request for
69 14 transfer is submitted to the district in a timely manner as
69 15 required under subsection 2 prior to the adoption of a
69 16 desegregation plan by the district. If a transfer request
69 17 would facilitate a voluntary diversity or court-ordered
69 18 desegregation plan, the district shall give priority to

69 19 granting the request over other requests.
69 20 b. A parent or guardian, whose request has been denied
69 21 because of a desegregation order or diversity plan, may appeal
69 22 the decision of the superintendent to the board of the
69 23 district in which the request was denied. The board may
69 24 either uphold or overturn the superintendent's decision. A
69 25 decision of the board to uphold the denial of the request is
69 26 subject to appeal to the district court in the county in which
69 27 the primary business office of the district is located. The
69 28 state board of education shall adopt rules establishing
69 29 definitions, guidelines, and a review process for school
69 30 districts that adopt voluntary diversity plans. The
69 31 guidelines shall include criteria and standards that school
69 32 districts must follow when developing a voluntary diversity
69 33 plan. The department of education shall provide technical
69 34 assistance to a school district that is seeking to adopt a
69 35 voluntary diversity plan. A school district implementing a
70 1 voluntary diversity plan prior to July 1, 2008, shall have
70 2 until July 1, 2009, to comply with guidelines adopted by the
70 3 state board pursuant to this section.

70 4 c. The board of directors of a school district subject to
70 5 voluntary diversity or court-ordered desegregation shall
70 6 develop a policy for implementation of open enrollment in the
70 7 district. The policy shall contain objective criteria for
70 8 determining when a request would adversely impact the
70 9 desegregation order or voluntary diversity plan and criteria
70 10 for prioritizing requests that do not have an adverse impact
70 11 on the order or plan.

70 12 4. a. After March 1 of the preceding school year and
70 13 until the date specified in section 257.6, subsection 1, the
70 14 parent or guardian shall send notification to the district of
70 15 residence and the receiving district, on forms prescribed by
70 16 the department of education, that good cause, as defined in
70 17 paragraph "b", exists for failure to meet the March 1
70 18 deadline. The board of directors of a receiving school
70 19 district may adopt a policy granting the superintendent of the
70 20 school district authority to approve open enrollment
70 21 applications submitted after the March 1 deadline. The board
70 22 of the receiving district shall take action to approve the
70 23 request if good cause exists. If the request is granted, the
70 24 board shall transmit a copy of the form to the parent or
70 25 guardian and the school district of residence within five days
70 26 after board action. A denial of a request by the board of a
70 27 receiving district is not subject to appeal.

70 28 b. For purposes of this section, "good cause" means a
70 29 change in a child's residence due to a change in family
70 30 residence, a change in the state in which the family residence
70 31 is located, a change in a child's parents' marital status, a
70 32 guardianship or custody proceeding, placement in foster care,
70 33 adoption, participation in a foreign exchange program, or
70 34 participation in a substance abuse or mental health treatment
70 35 program, a change in the status of a child's resident district
71 1 such as removal of accreditation by the state board, surrender
71 2 of accreditation, or permanent closure of a nonpublic school,
71 3 revocation of a charter school contract as provided in section
71 4 256F.8, the failure of negotiations for a whole grade sharing,
71 5 reorganization, dissolution agreement or the rejection of a
71 6 current whole grade sharing agreement, or reorganization plan.
71 7 If the good cause relates to a change in status of a child's
71 8 school district of residence, however, action by a parent or
71 9 guardian must be taken to file the notification within
71 10 forty-five days of the last board action or within thirty days
71 11 of the certification of the election, whichever is applicable
71 12 to the circumstances.

71 13 c. If a resident district believes that a receiving
71 14 district is violating this subsection, the resident district
71 15 may, within fifteen days after board action by the receiving
71 16 district, submit an appeal to the director of the department
71 17 of education.

71 18 d. The director, or the director's designee, shall attempt
71 19 to mediate the dispute to reach approval by both boards as
71 20 provided in subsection ~~16~~ 14. If approval is not reached
71 21 under mediation, the director or the director's designee shall
71 22 conduct a hearing and shall hear testimony from both boards.
71 23 Within ten days following the hearing, the director shall
71 24 render a decision upholding or reversing the decision by the
71 25 board of the receiving district. Within five days of the
71 26 director's decision, the board may appeal the decision of the
71 27 director to the state board of education under the procedures
71 28 set forth in chapter 290.

71 29 5. Open enrollment applications filed after March 1 of the

71 30 preceding school year that do not qualify for good cause as
71 31 provided in subsection 4 shall be subject to the approval of
71 32 the board of the resident district and the board of the
71 33 receiving district. The parent or guardian shall send
71 34 notification to the district of residence and the receiving
71 35 district that the parent or guardian seeks to enroll the
72 1 parent's or guardian's child in the receiving district. A
72 2 decision of either board to deny an application filed under
72 3 this subsection involving repeated acts of harassment of the
72 4 student or serious health condition of the student that the
72 5 resident district cannot adequately address is subject to
72 6 appeal under section 290.1. The state board shall exercise
72 7 broad discretion to achieve just and equitable results that
72 8 are in the best interest of the affected child or children.
72 9 6. A request under this section is for a period of not
72 10 less than one year. If the request is for more than one year
72 11 and the parent or guardian desires to have the pupil enroll in
72 12 a different district, the parent or guardian may petition the
72 13 current receiving district by March 1 of the previous school
72 14 year for permission to enroll the pupil in a different
72 15 district for a period of not less than one year. Upon receipt
72 16 of such a request, the current receiving district board may
72 17 act on the request to transfer to the other school district at
72 18 the next regularly scheduled board meeting after the receipt
72 19 of the request. The new receiving district shall enroll the
72 20 pupil in a school in the district unless there is insufficient
72 21 classroom space in the district or unless enrollment of the
72 22 pupil would adversely affect the court-ordered or voluntary
72 23 desegregation plan of the district. A denial of a request to
72 24 change district enrollment within the approved period is not
72 25 subject to appeal. However, a pupil who has been in
72 26 attendance in another district under this section may return
72 27 to the district of residence and enroll at any time, once the
72 28 parent or guardian has notified the district of residence and
72 29 the receiving district in writing of the decision to enroll
72 30 the pupil in the district of residence.

72 31 7. A pupil participating in open enrollment shall be
72 32 counted, for state school foundation aid purposes, in the
72 33 pupil's district of residence. A pupil's residence, for
72 34 purposes of this section, means a residence under section
72 35 282.1. The board of directors of the district of residence
73 1 shall pay to the receiving district the state cost per pupil
73 2 for the previous school year, plus any moneys received for the
73 3 pupil as a result of the non-English speaking weighting under
73 4 section 280.4, subsection 3, for the previous school year
73 5 multiplied by the state cost per pupil for the previous year.
73 6 If the pupil participating in open enrollment is also an
73 7 eligible pupil under section 261E.6, the receiving district
73 8 shall pay the tuition reimbursement amount to an eligible
73 9 postsecondary institution as provided in section 261E.7.

73 10 8. If a request filed under this section is for a child
73 11 requiring special education under chapter 256B, the request to
73 12 transfer to the other district shall only be granted if the
73 13 receiving district maintains a special education instructional
73 14 program which is appropriate to meet the child's educational
73 15 needs and the enrollment of the child in the receiving
73 16 district's program would not cause the size of the class in
73 17 that special education instructional program in the receiving
73 18 district to exceed the maximum class size in rules adopted by
73 19 the state board of education for that program. For children
73 20 requiring special education, the board of directors of the
73 21 district of residence shall pay to the receiving district the
73 22 actual costs incurred in providing the appropriate special
73 23 education.

73 24 9. a. If a parent or guardian of a child, who is
73 25 participating in open enrollment under this section, moves to
73 26 a different school district during the course of either
73 27 district's academic year, the child's first district of
73 28 residence shall be responsible for payment of the cost per
73 29 pupil plus weightings or special education costs to the
73 30 receiving school district for the balance of the school year
73 31 in which the move took place. The new district of residence
73 32 shall be responsible for the payments during succeeding years.

73 33 b. If a request to transfer is due to a change in family
73 34 residence, change in the state in which the family residence
73 35 is located, a change in a child's parents' marital status, a
74 1 guardianship proceeding, placement in foster care, adoption,
74 2 participation in a foreign exchange program, or participation
74 3 in a substance abuse or mental health treatment program, and
74 4 the child who is the subject of the request is enrolled in any
74 5 grade from kindergarten through grade twelve at the time of

74 6 the request and is not currently using any provision of open
74 7 enrollment, the parent or guardian of the child shall have the
74 8 option to have the child remain in the child's original
74 9 district of residence under open enrollment with no
74 10 interruption in the child's kindergarten through grade twelve
74 11 educational program. If a parent or guardian exercises this
74 12 option, the child's new district of residence is not required
74 13 to pay the amount calculated in subsection 7 until the start
74 14 of the first full year of enrollment of the child.

74 15 c. Quarterly payments shall be made to the receiving
74 16 district.

74 17 d. If the transfer of a pupil from one district to another
74 18 results in a transfer from one area education agency to
74 19 another, the sending district shall forward a copy of the
74 20 request to the sending district's area education agency. The
74 21 receiving district shall forward a copy of the request to the
74 22 receiving district's area education agency. Any moneys
74 23 received by the area education agency of the sending district
74 24 for the pupil who is the subject of the request shall be
74 25 forwarded to the receiving district's area education agency.

74 26 e. A district of residence may apply to the school budget
74 27 review committee if a student was not included in the resident
74 28 district's enrollment count during the fall of the year
74 29 preceding the student's transfer under open enrollment.

74 30 10. Notwithstanding section 285.1 relating to
74 31 transportation of nonresident pupils, the parent or guardian
74 32 is responsible for transporting the pupil without
74 33 reimbursement to and from a point on a regular school bus
74 34 route of the receiving district. However, a receiving
74 35 district may send school vehicles into the district of
75 1 residence of the pupil using the open enrollment option under
75 2 this section, for the purpose of transporting the pupil to and
75 3 from school in the receiving district, if the boards of both
75 4 the sending and receiving districts agree to this arrangement.
75 5 If the pupil meets the economic eligibility requirements
75 6 established by the department and state board of education,
75 7 the sending district is responsible for providing
75 8 transportation or paying the pro rata cost of the
75 9 transportation to a parent or guardian for transporting the
75 10 pupil to and from a point on a regular school bus route of a
75 11 contiguous receiving district unless the cost of providing
75 12 transportation or the pro rata cost of the transportation to a
75 13 parent or guardian exceeds the average transportation cost per
75 14 pupil transported for the previous school year in the
75 15 district. If the cost exceeds the average transportation cost
75 16 per pupil transported for the previous school year, the
75 17 sending district shall only be responsible for that average
75 18 per pupil amount. A sending district which provides
75 19 transportation for a pupil to a contiguous receiving district
75 20 under this subsection may withhold from the district cost per
75 21 pupil amount, that is to be paid to the receiving district, an
75 22 amount which represents the average or pro rata cost per pupil
75 23 for transportation, whichever is less.

~~75 24 11. Every school district shall adopt a policy which
75 25 defines the term "insufficient classroom space" for that
75 26 district.~~

~~75 27 12. The board of directors of a school district subject to
75 28 voluntary or court-ordered desegregation shall develop a
75 29 policy for implementation of open enrollment in the district.
75 30 The policy shall contain objective criteria for determining
75 31 when a request would adversely impact the desegregation order
75 32 or plan and criteria for prioritizing requests that do not
75 33 have an adverse impact on the order or plan.~~

75 34 11. A pupil who participates in open enrollment for
75 35 purposes of attending a grade in grades nine through twelve in
76 1 a school district other than the district of residence is
76 2 ineligible to participate in varsity interscholastic athletic
76 3 contests and athletic competitions during the pupil's first
76 4 ninety school days of enrollment in the district except that
76 5 the pupil may participate immediately in a varsity
76 6 interscholastic sport if the pupil is entering grade nine for
76 7 the first time and did not participate in an interscholastic
76 8 athletic competition for another school or school district
76 9 during the summer immediately following eighth grade, if the
76 10 district of residence and the other school district jointly
76 11 participate in the sport, if the sport in which the pupil
76 12 wishes to participate is not offered in the district of
76 13 residence, if the pupil chooses to use open enrollment to
76 14 attend school in another school district because the district
76 15 in which the student previously attended school was dissolved
76 16 and merged with one or more contiguous school districts under

76 17 section 256.11, subsection 12, if the pupil participates in
76 18 open enrollment because the pupil's district of residence has
76 19 entered into a whole grade sharing agreement with another
76 20 district for the pupil's grade, or if the parent or guardian
76 21 of the pupil participating in open enrollment is an active
76 22 member of the armed forces and resides in permanent housing on
76 23 government property provided by a branch of the armed
76 24 services. A pupil who has paid tuition and attended school,
76 25 or has attended school pursuant to a mutual agreement between
76 26 the two districts, in a district other than the pupil's
76 27 district of residence for at least one school year is also
76 28 eligible to participate immediately in interscholastic
76 29 athletic contests and athletic competitions under this
76 30 section, but only as a member of a team from the district that
76 31 pupil had attended. For purposes of this subsection, "school
76 32 days of enrollment" does not include enrollment in summer
76 33 school. For purposes of this subsection, "varsity" means the
76 34 same as defined in section 256.46.

76 35 ~~14.~~ 12. If a pupil, for whom a request to transfer has
77 1 been filed with a district, has been suspended or expelled in
77 2 the district, the pupil shall not be permitted to transfer
77 3 until the pupil has been reinstated in the sending district.
77 4 Once the pupil has been reinstated, however, the pupil shall
77 5 be permitted to transfer in the same manner as if the pupil
77 6 had not been suspended or expelled by the sending district.
77 7 If a pupil, for whom a request to transfer has been filed with
77 8 a district, is expelled in the district, the pupil shall be
77 9 permitted to transfer to a receiving district under this
77 10 section if the pupil applies for and is reinstated in the
77 11 sending district. However, if the pupil applies for
77 12 reinstatement but is not reinstated in the sending district,
77 13 the receiving district may deny the request to transfer. The
77 14 decision of the receiving district is not subject to appeal.

77 15 ~~15.~~ 13. If a request under this section is for transfer
77 16 to a laboratory school, as described in chapter 265, the
77 17 student, who is the subject of the request, shall not be
77 18 included in the basic enrollment of the student's district of
77 19 residence, and the laboratory school shall report the
77 20 enrollment of the student directly to the department of
77 21 education, unless the number of students from the district
77 22 attending the laboratory school during the current school
77 23 year, as a result of open enrollment under this section,
77 24 exceeds the number of students enrolled in the laboratory
77 25 school from that district during the 1989=1990 school year.
77 26 If the number of students enrolled in the laboratory school
77 27 from a district during the current year exceeds the number of
77 28 students enrolled from that district during the 1989=1990
77 29 school year, those students who represent the difference
77 30 between the current and the 1988=1989 school year enrollment
77 31 figures shall be included in the basic enrollment of the
77 32 students' districts of residence and the districts shall
77 33 retain any moneys received as a result of the inclusion of the
77 34 student in the district enrollment. The total number of
77 35 students enrolled at a laboratory school during a school year
78 1 shall not exceed six hundred seventy students. The regents
78 2 institution operating the laboratory school and the board of
78 3 directors of the school district in the community in which the
78 4 regents institution is located shall develop a student
78 5 transfer policy designed to protect and promote the quality
78 6 and integrity of the teacher education program at the
78 7 laboratory school, the viability of the education program of
78 8 the local school district in which the regents institution is
78 9 located, and to indicate the order in which and reasons why
78 10 requests to transfer to a laboratory school shall be
78 11 considered. A laboratory school may deny a request for
78 12 transfer under the policy. A denial of a request to transfer
78 13 under this paragraph is not subject to appeal under section
78 14 290.1.

78 15 ~~16.~~ 14. An application for open enrollment may be granted
78 16 at any time with approval of the resident and receiving
78 17 districts.

78 18 ~~17.~~ 15. The director of the department of education shall
78 19 recommend rules to the state board of education for the
78 20 orderly implementation of this section. The state board shall
78 21 adopt rules as needed for the implementation of this section.

78 22 Sec. 105. Section 282.26, Code 2009, is amended to read as

78 30 education may by rule permit such students to attend any
78 31 institution of higher learning under their jurisdiction.

78 33 may be applied toward credit for high school graduation.

79 1 university, unless the payment is expressly permitted or
79 2 required by law.

79 4 apply to colleges and universities in adjacent states when the
79 5 institutions are located nearer to the homes or schools of the
79 6 school district than the closest college or university within
79 7 the state.
79 8 Sec. 106. Section 294A.9, subsection 9, Code 2009, is

109 35 subsections (a)(4), (b)(1)(C)(iii), and (d), of the Internal
110 1 Revenue Code, and add losses as required by section 58 of the
110 2 Internal Revenue Code. To the extent that any preference or
110 3 adjustment is determined by an individual's federal adjusted
110 4 gross income, the individual's federal adjusted gross income
110 5 is computed in accordance with section 422.7, subsection 39.
110 6 In the case of an estate or trust, the items of tax
110 7 preference, adjustments, and losses shall be apportioned
110 8 between the estate or trust and the beneficiaries in
110 9 accordance with rules prescribed by the director.
110 10 (2) Subtract the applicable exemption amount as follows:
110 11 (a) Seventeen thousand five hundred dollars for a married
110 12 person who files separately or for an estate or trust.
110 13 (b) Twenty-six thousand dollars for a single person or a
110 14 head of household.
110 15 (c) Thirty-five thousand dollars for a married couple
110 16 which files a joint return.
110 17 (d) The exemption amount shall be reduced, but not below
110 18 zero, by an amount equal to twenty-five percent of the amount
110 19 by which the alternative minimum taxable income of the
110 20 taxpayer, computed without regard to the exemption amount in
110 21 this subparagraph (2), exceeds the following:
110 22 (i) Seventy-five thousand dollars in the case of a
110 23 taxpayer described in subparagraph ~~subdivision~~ division (a).
110 24 (ii) One hundred twelve thousand five hundred dollars in
110 25 the case of a taxpayer described in subparagraph ~~subdivision~~
110 26 division (b).
110 27 (iii) One hundred fifty thousand dollars in the case of a
110 28 taxpayer described in subparagraph ~~subdivision~~ division (c).
110 29 (3) In the case of a net operating loss computed for a tax
110 30 year beginning after December 31, 1982, which is carried back
110 31 or carried forward to the current taxable year, the net
110 32 operating loss shall be reduced by the amount of the items of
110 33 tax preference arising in such year which was taken into
110 34 account in computing the net operating loss in section 422.9,
110 35 subsection 3. The deduction for a net operating loss for a
111 1 tax year beginning after December 31, 1986, which is carried
111 2 back or carried forward to the current taxable year shall not
111 3 exceed ninety percent of the alternative minimum taxable
111 4 income determined without regard for the net operating loss
111 5 deduction.
111 6 c. The state alternative minimum tax of a taxpayer whose

111 7 net capital gain deduction includes the gain or loss from the
111 8 forfeiture of an installment real estate contract, the
111 9 transfer of real or personal property securing a debt to a
111 10 creditor in cancellation of that debt, or from the sale or
111 11 exchange of property as a result of actual notice of
111 12 foreclosure, where the fair market value of the taxpayer's
111 13 assets exceeds the taxpayer's liabilities immediately before
111 14 such forfeiture, transfer, or sale or exchange, shall not be
111 15 greater than such excess, including any asset transferred
111 16 within one hundred twenty days prior to such forfeiture,
111 17 transfer, or sale or exchange.

111 18 d. In the case of a resident, including a resident estate
111 19 or trust, the state's apportioned share of the state
111 20 alternative minimum tax is one hundred percent of the state
111 21 alternative minimum tax computed in this subsection 2. In the
111 22 case of a resident or part-year resident shareholder in an S
111 23 corporation which has in effect for the tax year an election
111 24 under subchapter S of the Internal Revenue Code and carries on
111 25 business within and without the state, a nonresident,
111 26 including a nonresident estate or trust, or an individual,
111 27 estate, or trust that is domiciled in the state for less than
111 28 the entire tax year, the state's apportioned share of the
111 29 state alternative minimum tax is the amount of tax computed
111 30 under this subsection 2, reduced by the applicable credits in
111 31 sections 422.10 through 422.12 and this result multiplied by a
111 32 fraction with a numerator of the sum of state net income
111 33 allocated to Iowa as determined in section 422.8, subsection
111 34 2, paragraph "a" or "b" as applicable, plus tax preference
111 35 items, adjustments, and losses under subparagraph (1)
112 1 attributable to Iowa and with a denominator of the sum of
112 2 total net income computed under section 422.7 plus all tax
112 3 preference items, adjustments, and losses under subparagraph
112 4 (1). In computing this fraction, those items excludable under
112 5 subparagraph (1) shall not be used in computing the tax
112 6 preference items. Married taxpayers electing to file separate
112 7 returns or separately on a combined return must allocate the
112 8 minimum tax computed in this subsection in the proportion that
112 9 each spouse's respective preference items, adjustments, and
112 10 losses under subparagraph (1) bear to the combined preference
112 11 items, adjustments, and losses under subparagraph (1) of both
112 12 spouses.

112 13 ~~2.~~ 3. a. ~~However, the~~ The tax shall not be imposed on a
112 14 resident or nonresident whose net income, as defined in
112 15 section 422.7, is thirteen thousand five hundred dollars or
112 16 less in the case of married persons filing jointly or filing
112 17 separately on a combined return, heads of household, and
112 18 surviving spouses or nine thousand dollars or less in the case
112 19 of all other persons; but in the event that the payment of tax
112 20 under this division would reduce the net income to less than
112 21 thirteen thousand five hundred dollars or nine thousand
112 22 dollars as applicable, then the tax shall be reduced to that
112 23 amount which would result in allowing the taxpayer to retain a
112 24 net income of thirteen thousand five hundred dollars or nine
112 25 thousand dollars as applicable. The preceding sentence does
112 26 not apply to estates or trusts. For the purpose of this
112 27 subsection, the entire net income, including any part of the
112 28 net income not allocated to Iowa, shall be taken into account.
112 29 For purposes of this subsection, net income includes all
112 30 amounts of pensions or other retirement income received from
112 31 any source which is not taxable under this division as a
112 32 result of the government pension exclusions in section 422.7,
112 33 or any other state law. If the combined net income of a
112 34 husband and wife exceeds thirteen thousand five hundred
112 35 dollars, neither of them shall receive the benefit of this
113 1 subsection, and it is immaterial whether they file a joint
113 2 return or separate returns. However, if a husband and wife
113 3 file separate returns and have a combined net income of
113 4 thirteen thousand five hundred dollars or less, neither spouse
113 5 shall receive the benefit of this paragraph, if one spouse has
113 6 a net operating loss and elects to carry back or carry forward
113 7 the loss as provided in section 422.9, subsection 3. A person
113 8 who is claimed as a dependent by another person as defined in
113 9 section 422.12 shall not receive the benefit of this
113 10 subsection if the person claiming the dependent has net income
113 11 exceeding thirteen thousand five hundred dollars or nine
113 12 thousand dollars as applicable or the person claiming the
113 13 dependent and the person's spouse have combined net income
113 14 exceeding thirteen thousand five hundred dollars or nine
113 15 thousand dollars as applicable.

113 16 b. In ~~addition~~ lieu of the computation in subsection 1, 2,
113 17 or 3, if the married persons', filing jointly or filing

113 18 separately on a combined return, head of household's, or
113 19 surviving spouse's net income exceeds thirteen thousand five
113 20 hundred dollars, the regular tax imposed under this division
113 21 shall be the lesser of the maximum state individual income tax
113 22 rate times the portion of the net income in excess of thirteen
113 23 thousand five hundred dollars or the regular tax liability
113 24 computed without regard to this sentence. Taxpayers electing
113 25 to file separately shall compute the alternate tax described
113 26 in this paragraph using the total net income of the husband
113 27 and wife. The alternate tax described in this paragraph does
113 28 not apply if one spouse elects to carry back or carry forward
113 29 the loss as provided in section 422.9, subsection 3.

113 30 ~~2A.~~ 3A. Reserved.

113 31 ~~2B.~~ 3B. ~~a.~~ a. However, ~~the~~ The tax shall not be imposed on
113 32 a resident or nonresident who is at least sixty-five years old
113 33 on December 31 of the tax year and whose net income, as
113 34 defined in section 422.7, is thirty-two thousand dollars or
113 35 less in the case of married persons filing jointly or filing
114 1 separately on a combined return, heads of household, and
114 2 surviving spouses or twenty-four thousand dollars or less in
114 3 the case of all other persons; but in the event that the
114 4 payment of tax under this division would reduce the net income
114 5 to less than thirty-two thousand dollars or twenty-four
114 6 thousand dollars as applicable, then the tax shall be reduced
114 7 to that amount which would result in allowing the taxpayer to
114 8 retain a net income of thirty-two thousand dollars or
114 9 twenty-four thousand dollars as applicable. The preceding
114 10 sentence does not apply to estates or trusts. For the purpose
114 11 of this subsection, the entire net income, including any part
114 12 of the net income not allocated to Iowa, shall be taken into
114 13 account. For purposes of this subsection, net income includes
114 14 all amounts of pensions or other retirement income received
114 15 from any source which is not taxable under this division as a
114 16 result of the government pension exclusions in section 422.7,
114 17 or any other state law. If the combined net income of a
114 18 husband and wife exceeds thirty-two thousand dollars, neither
114 19 of them shall receive the benefit of this subsection, and it
114 20 is immaterial whether they file a joint return or separate
114 21 returns. However, if a husband and wife file separate returns
114 22 and have a combined net income of thirty-two thousand dollars
114 23 or less, neither spouse shall receive the benefit of this
114 24 paragraph, if one spouse has a net operating loss and elects
114 25 to carry back or carry forward the loss as provided in section
114 26 422.9, subsection 3. A person who is claimed as a dependent
114 27 by another person as defined in section 422.12 shall not
114 28 receive the benefit of this subsection if the person claiming
114 29 the dependent has net income exceeding thirty-two thousand
114 30 dollars or twenty-four thousand dollars as applicable or the
114 31 person claiming the dependent and the person's spouse have
114 32 combined net income exceeding thirty-two thousand dollars or
114 33 twenty-four thousand dollars as applicable.

114 34 ~~b.~~ b. In ~~addition~~ lieu of the ~~computation~~ computation in subsection 1, 2,
114 35 ~~or 3,~~ or 3, if the married persons', filing jointly or filing

115 1 separately on a combined return, head of household's, or
115 2 surviving spouse's net income exceeds thirty-two thousand
115 3 dollars, the regular tax imposed under this division shall be
115 4 the lesser of the maximum state individual income tax rate
115 5 times the portion of the net income in excess of thirty-two
115 6 thousand dollars or the regular tax liability computed without
115 7 regard to this sentence. Taxpayers electing to file
115 8 separately shall compute the alternate tax described in this
115 9 paragraph using the total net income of the husband and wife.
115 10 The alternate tax described in this paragraph does not apply
115 11 if one spouse elects to carry back or carry forward the loss
115 12 as provided in section 422.9, subsection 3.

115 13 c. This subsection applies even though one spouse has not
115 14 attained the age of sixty-five, if the other spouse is at
115 15 least sixty-five at the end of the tax year.

115 16 ~~3.~~ 4. The tax herein levied shall be computed and
115 17 collected as hereinafter provided.

115 18 ~~4.~~ 5. The provisions of this division shall apply to all
115 19 salaries received by federal officials or employees of the
115 20 United States government as provided for herein.

115 21 ~~5.~~ 6. Upon determination of the latest cumulative
115 22 inflation factor, the director shall multiply each dollar
115 23 amount set forth in subsection 1, paragraphs "a" through "i"
115 24 ~~of this section~~ by this cumulative inflation factor, shall
115 25 round off the resulting product to the nearest one dollar, and
115 26 shall incorporate the result into the income tax forms and
115 27 instructions for each tax year.

115 28 ~~6.~~ 7. The state income tax of a taxpayer whose net income

115 29 includes the gain or loss from the forfeiture of an
115 30 installment real estate contract, the transfer of real or
115 31 personal property securing a debt to a creditor in
115 32 cancellation of that debt, or from the sale or exchange of
115 33 property as a result of actual notice of foreclosure where the
115 34 fair market value of the taxpayer's assets exceeds the
115 35 taxpayer's liabilities immediately before such forfeiture,
116 1 transfer, or sale or exchange shall not be greater than such
116 2 excess, including any asset transferred within one hundred
116 3 twenty days prior to such forfeiture, transfer, or sale or
116 4 exchange. For purposes of this subsection, in the case of
116 5 married taxpayers, except in the case of a husband and wife
116 6 who live apart at all times during the tax year, the assets
116 7 and liabilities of both spouses shall be considered in
116 8 determining if the fair market value of the taxpayer's assets
116 9 exceed the taxpayer's liabilities.

116 10 ~~7-~~ 8. In addition to the other taxes imposed by this
116 11 section, a tax is imposed on the amount of a lump sum
116 12 distribution for which the taxpayer has elected under section
116 13 402(e) of the Internal Revenue Code to be separately taxed for
116 14 federal income tax purposes for the tax year. The rate of tax
116 15 is equal to twenty-five percent of the separate federal tax
116 16 imposed on the amount of the lump sum distribution. A
116 17 nonresident is liable for this tax only on that portion of the
116 18 lump sum distribution allocable to Iowa. The total amount of
116 19 the lump sum distribution subject to separate federal tax
116 20 shall be included in net income for purposes of determining
116 21 eligibility under subsections ~~2 3~~ and ~~2A or 2B~~ 3B, as
116 22 applicable.

116 23 ~~8-~~ 9. In the case of income derived from the sale or
116 24 exchange of livestock which qualifies under section 451(e) of
116 25 the Internal Revenue Code because of drought, the taxpayer may
116 26 elect to include the income in the taxpayer's net income in
116 27 the tax year following the year of the sale or exchange in
116 28 accordance with rules prescribed by the director.

116 29 ~~9-~~ 10. If an individual's federal income tax was forgiven
116 30 for a tax year under section 692 of the Internal Revenue Code,
116 31 because the individual was killed while serving in an area
116 32 designated by the president of the United States or the United
116 33 States Congress as a combat zone, the individual was missing
116 34 in action and presumed dead, or the individual was killed
116 35 outside the United States in a terroristic or military action
117 1 while the individual was a military or civilian employee of
117 2 the United States, the individual's Iowa income tax is also
117 3 forgiven for the same tax year.

117 4 ~~10-~~ 11. If a taxpayer repays in the current tax year
117 5 certain amounts of income that were subject to tax under this
117 6 division in a prior year and a tax benefit would be allowed
117 7 under similar circumstances under section 1341 of the Internal
117 8 Revenue Code, a tax benefit shall be allowed on the Iowa
117 9 return. The tax benefit shall be the reduced tax for the
117 10 current tax year due to the deduction for the repaid income or
117 11 the reduction in tax for the prior year or years due to
117 12 exclusion of the repaid income. The reduction in tax shall
117 13 qualify as a refundable tax credit on the return for the
117 14 current year pursuant to rules prescribed by the director.

117 15 Sec. 136. Section 422.7, subsection 12, Code 2009, is
117 16 amended to read as follows:

117 17 12. a. If the adjusted gross income includes income or
117 18 loss from a small business operated by the taxpayer, an
117 19 additional deduction shall be allowed in computing the income
117 20 or loss from the small business if the small business hired
117 21 for employment in the state during its annual accounting
117 22 period ending with or during the taxpayer's tax year any of
117 23 the following:

117 24 ~~a-~~ (1) An individual with a disability domiciled in this
117 25 state at the time of the hiring who meets any of the following
117 26 conditions:

117 27 ~~(1)~~ (a) Has a physical or mental impairment which
117 28 substantially limits one or more major life activities.

117 29 ~~(2)~~ (b) Has a record of that impairment.

117 30 ~~(3)~~ (c) Is regarded as having that impairment.

118 5 e. (3) An individual, whether or not domiciled in this
118 6 state at the time of the hiring, who is on parole or probation
118 7 and to whom the interstate probation and parole compact under
118 8 section 907A.1, Code 2001, applies, or to whom the interstate
118 9 compact for adult offender supervision under chapter 907B
118 10 applies.

118 11 b. (1) The amount of the additional deduction is equal to
118 12 sixty=five percent of the wages paid to individuals, but shall
118 13 not exceed twenty thousand dollars per individual, named in
118 14 ~~paragraphs~~ paragraph "a", "b", and "c" subparagraphs (1), (2),
118 15 and (3) who were hired for the first time by that business
118 16 during the annual accounting period for work done in the
118 17 state. This additional deduction is allowed for the wages
118 18 paid to those individuals successfully completing a
118 19 probationary period during the twelve months following the
118 20 date of first employment by the business and shall be deducted
118 21 at the close of the annual accounting period.

118 22 (2) The additional deduction shall not be allowed for
118 23 wages paid to an individual who was hired to replace an
118 24 individual whose employment was terminated within the
118 25 twelve=month period preceding the date of first employment.
118 26 However, if the individual being replaced left employment
118 27 voluntarily without good cause attributable to the employer or
118 28 if the individual was discharged for misconduct in connection
118 29 with the individual's employment as determined by the
118 30 department of workforce development, the additional deduction
118 31 shall be allowed.

118 32 (3) A taxpayer who is a partner of a partnership or a
118 33 shareholder of a subchapter S corporation, may deduct that
118 34 portion of wages qualified under this subsection paid by the
118 35 partnership or subchapter S corporation based on the
119 1 taxpayer's pro rata share of the profits or losses from the
119 2 partnership or subchapter S corporation.

119 3 c. For purposes of this subsection, ~~"physical:~~
119 4 (1) "Physical or mental impairment" means any

119 8 retardation, organic brain syndrome, emotional or mental
119 9 illness and specific learning disabilities.

119 10 (2) (a) ~~For purposes of this subsection, "small "Small~~

120 16 allowance under section 179 of the Internal Revenue Code, as
120 17 amended by Pub. L. No. 108=27, section 202, in computing
120 18 adjusted gross income for state tax purposes. If the taxpayer

132 18 assessed value of taxpayer property in each local taxing
132 19 district subject to adjustment under this section by the
132 20 director means the assessed value of such property as of the
132 21 preceding January 1 as determined and allocated among the
132 22 local taxing districts by the director.

132 23 d. Nothing in this chapter shall be interpreted to

132 27 subsection.

132 28 e. In addition to reporting the assessed values as
132 29 described in this subsection, the director, on or before
132 30 October 31 of each assessment year, shall also report to the
132 31 department of management and to the auditor of each county the
132 32 taxable value of taxpayer property as of January 1 of such
132 33 assessment year for each local taxing district. For purposes
132 34 of this chapter, "taxable value" means the value for all
132 35 property subject to the replacement tax annually determined by
133 1 the director, by dividing the estimated annual replacement tax
133 2 liability for that property by the prior year's consolidated
133 3 taxing district rate for the taxing district where that
133 4 property is located, then multiplying the quotient by one
133 5 thousand. A taxpayer who paid more than five hundred thousand
133 6 dollars in replacement tax in the previous tax year or who
133 7 believes their replacement tax liability will vary more than
133 8 ten percent from the previous tax year shall report to the
133 9 director by October 1 of the current calendar year, on forms
133 10 prescribed by the director, the estimated replacement tax
133 11 liability that will be attributable to all of the taxpayer's
133 12 property subject to replacement tax for the current tax year.
133 13 The department shall utilize the estimated replacement tax
133 14 liability as reported by the taxpayer or the taxpayer's prior
133 15 year's replacement tax amounts to estimate the current tax
133 16 year's taxable value for that property. Furthermore, a
133 17 taxpayer who has a new major addition of operating property
133 18 which is put into service for the first time in the current
133 19 calendar year shall report to the director by October 1 of the

133 21 put into service, whichever time is later, on forms prescribed
133 22 by the director, the cost of the major addition and, if not
133 23 previously reported, shall report the estimated replacement
133 24 taxes which that asset will generate in the current calendar
133 25 year. For the purposes of computing the taxable value of
133 26 property in a taxing district, the taxing district's share of
133 27 the estimated replacement tax liability shall be the taxing
133 28 district's percentage share of the "assessed value allocated
133 29 by property tax equivalent" multiplied by the total estimated
133 30 replacement tax. "Assessed value allocated by property tax
133 31 equivalent" shall be determined by dividing the taxpayer's
133 32 current year assessed valuation in a taxing district by one
133 33 thousand, and then multiplying by the prior year's
133 34 consolidated tax rate.

188 24 Sec. 223. Section 256B.2, Code 2009, is amended to read as
188 25 follows:

188 26 256B.2 DEFINITIONS == POLICIES == FUNDS.

188 27 1. As used in this chapter:

188 28 a. "Children requiring special education" means persons
188 29 under twenty-one years of age, including children under five
188 30 years of age, who have a disability in obtaining an education
188 31 because of a head injury, autism, behavioral disorder, or
188 32 physical, mental, communication, or learning disability, as
188 33 defined by the rules of the department of education.

188 34 2- b. "Special education" means classroom, home,
188 35 hospital, institutional, or other instruction designed to meet
189 1 the needs of children requiring special education as defined
189 2 in this subsection ±; transportation and corrective and
189 3 supporting services required to assist children requiring
189 4 special education, as defined in this subsection ±, in taking
189 5 advantage of, or responding to, educational programs and
189 6 opportunities, as defined by rules of the state board of
189 7 education.

189 8 3- 2. It is the policy of this state to require school
189 9 districts and state operated educational programs to provide
189 10 or make provision, as an integral part of public education,
189 11 for a free and appropriate public education sufficient to meet
189 12 the needs of all children requiring special education. This
189 13 chapter is not to be construed as encouraging separate
189 14 facilities or segregated programs designed to meet the needs
189 15 of children requiring special education when the children can
189 16 benefit from all or part of the education program as offered
189 17 by the local school district. To the maximum extent possible,
189 18 children requiring special education shall attend regular
189 19 classes and shall be educated with children who do not require
189 20 special education. Whenever possible, hindrances to learning
189 21 and to the normal functioning of children requiring special
189 22 education within the regular school environment shall be
189 23 overcome by the provision of special aids and services rather
189 24 than by separate programs for those in need of special
189 25 education. Special classes, separate schooling, or other
189 26 removal of children requiring special education from the
189 27 regular educational environment, shall occur only when, and to
189 28 the extent that the nature or severity of the educational
189 29 disability is such, that education in regular classes, even
189 30 with the use of supplementary aids and services, cannot be

189 31 accomplished satisfactorily. For those children who cannot
189 32 adapt to the regular educational or home living conditions,
189 33 and who are attending facilities under chapters 263, 269, and
189 34 270, upon the request of the board of directors of an area
189 35 education agency, the department of human services shall
190 1 provide residential or detention facilities and the area
190 2 education agency shall provide special education programs and
190 3 services. The area education agencies shall cooperate with
190 4 the board of regents to provide the services required by this
190 5 chapter.

190 6 3. Special aids and services shall be provided to children
190 7 requiring special education who are less than five years of
190 8 age if the aids and services will reasonably permit the child
190 9 to enter the educational process or school environment when
190 10 the child attains school age.

190 11 4. Every child requiring special education shall, if
190 12 reasonably possible, receive a level of education commensurate
190 13 with the level provided each child who does not require
190 14 special education. The cost of providing such an education
190 15 shall be paid as provided in section 273.9, this chapter, and
190 16 chapter 257. It shall be the primary responsibility of each

198 34 provided in section 312.2, subsection 5 2.

198 35 2. If the railroad corporation and the jurisdiction having
199 1 authority agree on the method of crossing maintenance and
199 2 establish an agreement to each contribute costs as provided in
199 3 section 312.2, subsection 5 2, a copy of the agreement shall

199 12 of costs shall be filed with the department by the railroad
199 13 corporation in a form and manner prescribed by the department.
199 14 The department, upon approval of the statement, shall pay to
199 15 the railroad corporation an amount of the cost of the work
199 16 from the highway railroad grade crossing surface repair fund
199 17 as provided in section 312.2, subsection 5 2. The owner of

199 35 amount of state alternative minimum tax would have been on the
200 1 same preference items which were taxed by the other state or
200 2 foreign country. The limitation on this credit shall be
200 3 computed according to the following formula: The total of
200 4 preference items earned outside of Iowa and taxed by another
200 5 state or foreign country shall be divided by the total of
200 6 preference items of the resident taxpayer of Iowa. In
200 7 computing this quotient, those items excludable under section
200 8 422.5, subsection ~~4~~ 2, paragraph ~~"k"~~ "b", subparagraph (1)
200 9 shall not be used in computing the preference items. This

200 12 ~~"k"~~ on the total of preference items as if entirely earned in
200 13 Iowa shall be the maximum tax credit against the Iowa
200 14 alternative minimum tax. However, the maximum tax credit will
200 15 not be allowed to the extent that the minimum tax imposed by
200 16 the other state or foreign country is less than the maximum

200 31 year shall not exceed the excess, if any, of the tax

200 33 through "j" over the state alternative minimum tax as
200 34 determined in section 422.5, subsection ~~1~~, ~~paragraph "k"~~ 2.

200 35 b. The net minimum tax for a tax year is the excess, if

201 7 c. However, if that part of the net income of a
201 8 nonresident which is allocated to Iowa pursuant to section

203 19 EXPLANATION

203 20 This bill contains statutory corrections that adjust
203 21 language to reflect current practices, insert earlier
203 22 omissions, delete redundancies and inaccuracies, delete
203 23 temporary language, resolve inconsistencies and conflicts,
203 24 update ongoing provisions, or remove ambiguities. The Code
203 25 sections amended include the following:

203 26 DIVISION I == MISCELLANEOUS PROVISIONS. Code section

203 27 6B.14: Strikes the word "aforesaid" and adds after the word
203 28 "notices" the words "required by" and a citation to Code
203 29 section 6B.8, to clarify just which notices are being referred
203 30 to in this Code section.

203 31 Code sections 9D.1 and 9D.2: Moves a definition that
203 32 applies to the entire Code chapter, from Code section 9D.2,
203 33 and places it in alphabetical order with other definitions at
203 34 the beginning of the Code chapter, precedes the listing of
203 35 definitions with the standard phrasing relating to
204 1 applicability of the definitions, and renumbers the
204 2 definitions. Code section 9D.2 is also renumbered and
204 3 internal references are updated due to the elimination of the
204 4 definition from that Code section.

204 5 Code section 10.1: Changes the word "that" to "each" to
204 6 conform the language relating to percentage of ownership by
204 7 farmers cooperative associations to the initial language in
204 8 the same sentence that indicates that more than one type of
204 9 membership interest may be established.

204 10 Code section 15.103: Adds clarifying language in two
204 11 places to specify that the requirements relating to expertise
204 12 and active employment apply to the voting membership of the
204 13 economic development board.

204 14 Code section 15.247(2): Adds the name of the targeted
204 15 small business financial assistance program to the enabling
204 16 language for the program, moves some language, and adds
204 17 paragraph designations.

204 18 Code section 16.1(1): Substitutes the word "which" for the
204 19 word "and" and strikes an extraneous modifying phrase to
204 20 clarify the meaning of the word "powers" within the Code
204 21 chapter pertaining to the Iowa finance authority.

204 22 Code section 24.20: Substitutes a singular reference for a
204 23 plural reference to municipalities and adds the words "tax
204 24 rates and levies" after the word "such" to clarify that the
204 25 tax rates and levies certified by a given municipality are the
204 26 rates and levies for that particular municipality, unless the
204 27 particular rates or levies must be authorized by a vote of the
204 28 people.

204 29 Code section 26.14: Conforms phraseology relating to
204 30 determination of which bid is the lowest responsible bid on a
204 31 public improvement to other language that states that the bid
204 32 must be the lowest responsive, responsible bid.

204 33 Code section 42.3: Clarifies, in language in subsection 1,
204 34 paragraph "b", that provides that certain deadlines may be
204 35 extended, which dates and deadlines are actually intended.

205 1 Current language specifies the entire subsection, although the
205 2 dates that are to be extended under this paragraph are located
205 3 in paragraph "a". In addition, in subsection 2, language is
205 4 moved from the end of the sentence to a location which is
205 5 closer to the verb "transmit" to clarify that the language in
205 6 subsection 1 references the time frame in which the
205 7 transmission of information by the chief clerk of the house of
205 8 representatives or the secretary of the senate should occur
205 9 and not the reasons why the reapportionment plan was not
205 10 approved.

205 11 Code section 46.2A: Substitutes references to Code chapter
205 12 40 for Code chapter 42 in two places, because the
205 13 congressional districts are described in Code chapter 40, not
205 14 Code chapter 42.

205 15 Code section 49.36: Strikes the words "the foregoing" and
205 16 adds a cite to Code sections 49.32 and 49.35 to clarify in
205 17 which Code sections the phrase "group of petitioners" means an
205 18 organization which is not a political party as defined by law.

205 19 Code section 52.25(2): Strikes words relating to special
205 20 paper and inserts used in voting machines to conform to
205 21 changes made in 2007 Iowa Acts, chapter 190.

205 22 Code sections 62.1A and 62.2: Substitutes references to
205 23 the term "member" for references to "person" and "judge" or
205 24 "judges" and "officer" to conform terminology within this
205 25 provision to language used in Code chapter 61 to describe the
205 26 contest court that hears disputes concerning the election of
205 27 state officers and to distinguish references to the members of
205 28 the contest court from members of the judiciary. A
205 29 grammatical problem is also corrected in Code section 62.2.

205 30 Code section 68B.22(4): Conforms the term used to describe
205 31 an exception to a provision describing when a gift to a public
205 32 official or employee may be permitted to the term used in the
205 33 provision describing the exception for certain legislative
205 34 functions. This conforms this Code subsection to the changes
205 35 made by 2005 Iowa Acts, chapter 76, section 5.

206 1 Code section 73.16(2): Strikes an obsolete reference to an
206 2 initial quarterly report that was required to be made by state

206 3 government agencies or departments to the targeted small
206 4 business marketing and compliance manager on September 30,
206 5 2007.

206 6 Code section 75.1(1): Substitutes the word "Ballots" for
206 7 "All ballots" and the word "but" for the word "and" to clarify
206 8 which ballots are not to be used to compute the total number
206 9 of votes for and against a proposition to authorize the
206 10 issuance of bonds by a city, county township, school
206 11 corporation, or any local board or commission.

206 12 Code section 85.59: Numbers a provision and restructures
206 13 language establishing definitions within a provision
206 14 establishing when workers' compensation benefits may be
206 15 awarded to inmates of a correctional institution to facilitate
206 16 citation.

206 17 Code section 85.66: Conforms capitalization of the name of
206 18 the fund to Code style and numbers this provision establishing
206 19 the second injury fund to facilitate citation; substitutes a
206 20 reference to identical language in another Code section for
206 21 language specifying the amount that is to be reimbursed to the
206 22 attorney general for services related to the second injury
206 23 fund to eliminate the redundancy; and moves language regarding
206 24 investments of surplus moneys by the treasurer of state to a
206 25 location in the Code section which follows multiple provisions
206 26 relating to disbursements by the treasurer from the fund.

206 27 Code section 89.11: Numbers this provision containing two
206 28 separate instances in which the labor commissioner may seek an
206 29 injunction against an owner, user, or person in charge of
206 30 defective equipment and clarifies the second instance by
206 31 adding conforming language relating to conduct from which the
206 32 owner, user, or person is requested to be enjoined and
206 33 conforming language describing the point in time in which the
206 34 injunction may be sought.

206 35 Code section 96.19(17): Adds language conforming a
207 1 reference to "the foregoing provisions" to other references
207 2 within this Code subsection to "subsection 16 or section 96.8,
207 3 subsection 3".

207 4 Code section 100B.1(1): Adds the word "voting" to this
207 5 provision to clarify that these particular public members of
207 6 the state fire service and emergency response council are
207 7 voting members of the council. This change is consistent with
207 8 initial language in this Code section specifying that the
207 9 council has 11 voting members and one ex officio member.

207 10 Code section 100C.3(2): Strikes the word "not" and
207 11 substitutes the word "confidential" for the word "public" to
207 12 clarify that the criminal history check results are
207 13 confidential public records under the public records law.
207 14 This change is consistent with Code section 692.8A, which
207 15 governs the dissemination of criminal history records under
207 16 the public records chapter, Code chapter 22.

207 17 Code section 103.15(2): Rewrites the language referring to
207 18 continuous employment of an employee to conform with changes
207 19 made to that language by 2008 Iowa Acts, chapter 1092, section
207 20 20.

207 21 Code section 103.30: Adds the words "the employees are" to
207 22 clarify that the time frame during which the electrical work
207 23 of certain employees is not required to be inspected is when
207 24 those employees are acting within the scope of their
207 25 employment.

207 26 Code section 125.86(3): Conforms terminology used in
207 27 language added to both this provision and Code section 229.15,
207 28 subsection 2, by 2008 Iowa Acts, chapter 1082, to the
207 29 terminology used to describe the persons and process used for
207 30 hospitalization of persons for substance abuse treatment.

207 31 Code section 135.1(4): Strikes, within the definition of
207 32 the term "physician" in the Code chapter relating to the
207 33 department of public health, a phrase that refers to
207 34 designations to be used by persons licensed as osteopaths.
207 35 Code chapter 150, which provided for the licensing of
208 1 osteopaths, was repealed by 2008 Iowa Acts, chapter 1088.

208 2 Code section 135.17(1): Strikes the words "or 150" to
208 3 conform to the changes made in 2008 Iowa Acts, chapter 1088.
208 4 The Code chapters relating to osteopathy and osteopathic
208 5 medicine and surgery were repealed in that Act, but those
208 6 persons licensed to perform osteopathic medicine and surgery
208 7 under former Code chapter 150A were subsumed into Code chapter
208 8 148 (licensing procedures).

208 9 Code section 135.24(6): Adds a reference to the licensing
208 10 of speech pathologists and audiologists to the list of other
208 11 licensed health care providers regulated by boards of those
208 12 particular professions and under the jurisdiction of the
208 13 department of public health.

208 14 Code section 135.37(6): Conforms language relating to
208 15 inspections and enforcement activities of the local boards of
208 16 health with respect to tattooing establishments with earlier
208 17 language describing an intent to avoid duplication of those
208 18 efforts with the same efforts by the department of public
208 19 health.

208 20 Code section 135.159: Strikes language referencing the
208 21 licensing of physicians pursuant to Code chapter 150 to
208 22 conform with changes made by 2008 Iowa Acts, chapter 1088,
208 23 which placed osteopathic physicians together with physicians
208 24 who possess an M.D. under the Code chapter 148 licensing
208 25 procedures and the authority of the board of medicine.

208 26 Code sections 135B.20, 136C.1, 136C.3, 142.1, 142C.2, and
208 27 162.2: Replaces the term "osteopathy" with the term
208 28 "osteopathic medicine" to correct a terminology change
208 29 oversight in 2008 Iowa Acts, chapter 1088.

208 30 Code section 135C.33(5): Corrects a reference by name to
208 31 the homemaker-home health aide services program in language
208 32 relating to child or dependent adult abuse and criminal record
208 33 checks.

208 34 Code section 137F.3A(1): Restructures and renumbers
208 35 language enumerating the conditions which must be met before
209 1 the department of inspections and appeals may employ
209 2 additional persons to enforce the provisions of the hotel
209 3 sanitation, home food establishment, and food establishment
209 4 and food processing plant Code chapters.

209 5 Code section 137F.6(1): Restructures language relating to
209 6 license fees charged to food establishments to conform to the
209 7 style of other provisions within this subsection.

209 8 Code section 142A.3: Restructures and renumbers language
209 9 establishing the commission on tobacco use prevention and
209 10 control and the advisory council to the commission.

209 11 Code section 144.14: Rennumbers and conforms the phrase "of
209 12 finding" to the phrase "the child was found" which is used
209 13 elsewhere in the provision relating to reports and
209 14 certificates of birth for foundlings.

209 15 Code section 144C.2(3) and 144C.3(4): Changes the term
209 16 "assisted living program facility" to the term "assisted
209 17 living program" to conform the terminology used in Code
209 18 chapter 144C, which relates to final disposition of human
209 19 remains, with the terminology used in Code chapter 231C to
209 20 describe certified programs which provide housing with
209 21 services for assisted living.

209 22 Code section 147.14: Replaces a reference to Code chapter
209 23 147 with a reference to Code chapter 155 in language that
209 24 excludes persons licensed as nursing home administrators from
209 25 being public members of the board for nursing home
209 26 administrators to conform to changes made by 2008 Iowa Acts,
209 27 chapter 1088.

209 28 Code section 147.55: Rewrites the first paragraph in this
209 29 provision to clarify that, although a licensee's license may
209 30 be suspended or revoked if a licensee commits one of the
209 31 enumerated acts or offenses, the licensee as an individual
209 32 would be subject to discipline by the board for the licensee's
209 33 profession.

209 34 Code section 147.80: Adds language relating to
209 35 registration and certification of health care professionals to
210 1 reflect the fact that some of the health care professionals
210 2 regulated under Code chapter 147 and other Code chapters
210 3 register with or are issued a certificate by their respective
210 4 boards, instead of being licensed. This addition clarifies
210 5 that all of the health care profession boards have the same
210 6 authority to verify a practitioner's status before the board.

210 7 Code section 147.85: Updates language relating to
210 8 impersonation of a health care practitioner to conform to
210 9 other provisions throughout the Code, including Code sections
210 10 80.6, 103.38, 103.39, 155A.20, 169.18, 206.11, 341A.17,
210 11 542B.25, 542B.27, and 544A.15, which deal with impersonation
210 12 of various professionals, officials, or public employees.

210 13 Code section 147.135: Strikes references to "chapter 150,
210 14 or chapter 150A" to conform to the changes regarding physician
210 15 licensure in 2008 Iowa Acts, chapter 1088.

210 16 Code section 148.2A(2): Strikes the word "members" in
210 17 language relating to licensure of persons who may constitute a
210 18 member of a hearing panel for the board of medicine because of
210 19 the use of alternate members in the creation of the membership
210 20 of the hearing panels. Alternate members of the board of
210 21 medicine are only members of the hearing panel and not
210 22 otherwise "members of board" within the meaning of Code
210 23 section 148.2A.

210 24 Code section 148.3(2): Strikes the words "and collected by

210 25 the board and transmitted to" because the board of medicine
210 26 members do not themselves act as the collection agents for
210 27 unpaid license and renewal fees although the fees are paid to
210 28 the board.

210 29 Code section 148.6(2): Renumbers language relating to
210 30 investigations by the board of medicine based on allegations
210 31 of inability to practice medicine and surgery or osteopathic
210 32 medicine and surgery due to illness, substance abuse, or other
210 33 mental or physical condition.

210 34 Code section 148.14: Adds a reference to Code chapter 147
210 35 within the provision authorizing the appointment of
211 1 investigators for the board of medicine to correspond with
211 2 provisions in Code chapter 147 that provide for the common
211 3 power and responsibility for all of the health care profession
211 4 boards to perform various activities and duties.

211 5 Code section 148A.7: Numbers language internally in this
211 6 Code section prohibiting false use of titles by persons and
211 7 entities providing health care services.

211 8 Code sections 153.14 and 154B.5: Replaces the term
211 9 "osteopaths" with the term "osteopathic physicians" to correct
211 10 a terminology change oversight in 2008 Iowa Acts, chapter
211 11 1088.

211 12 Code sections 154A.6 and 155.17: Renumbers and changes a
211 13 reference to "such" information to a reference to information
211 14 "in violation of subsection 1" to eliminate unnumbered
211 15 paragraphs and to clarify what type of communication is
211 16 criminalized.

211 17 Code section 154C.3(1)(c)(5): Letters an unnumbered
211 18 paragraph in a provision relating to supervision of persons
211 19 who are applying for a license as an independent social worker
211 20 and renumbers the balance of the provision.

211 21 Code section 154F.2: Adds a reference to "osteopathic
211 22 physician" after the word "physician" to conform with changes
211 23 made by 2008 Iowa Acts, chapter 1088, in language relating to
211 24 the conducting of hearing tests.

211 25 Code section 155.2(1): Adds the words "this chapter and"
211 26 in language relating to qualifications for public membership
211 27 on the board for nursing home administrators because nursing
211 28 home administrators are licensed pursuant to Code chapters 147
211 29 and 155.

211 30 Code section 155A.15(2): Numbers an unnumbered paragraph,
211 31 containing an exception to prohibitions against delivery of
211 32 prescription drugs or devices with authorization to allow the
211 33 furnishing of prescription drugs to licensed health care
211 34 facilities for storage in secured emergency medical supplies,
211 35 to include the paragraph within a series of exceptions to
212 1 prohibitions against delivery prescription drugs to a person
212 2 without legal authorization. The initial language which
212 3 clarified that the former unnumbered paragraph was an
212 4 exception was deleted to conform the provision to the style of
212 5 the other exceptions.

212 6 Code sections 158.1 and 158.2: Redrafts language in Code
212 7 section 158.1 by conforming language defining what practices
212 8 constitute "barbering" to the standard style used in
212 9 definitions throughout the Code and by moving a prohibition
212 10 from the end of the definition to Code section 158.2, which
212 11 contains similar prohibitions.

212 12 Code section 159A.4: Reorganizes and renumbers provisions
212 13 establishing the renewable fuels and coproducts advisory
212 14 committee to group like subject matters together and clarify
212 15 which of the members are voting members.

212 16 Code section 161.1: Changes the word "section" to
212 17 "chapter" to clarify that the entire chapter is what is known
212 18 as the "Iowa Agrichemical Remediation Act".

212 19 Code section 161F.6: Reorganizes and numbers this
212 20 provision by separating applicability provisions from
212 21 definitions, grouping applicability provisions together in one
212 22 subsection, and breaking the definitions into a lettered list
212 23 within the other subsection.

212 24 Code section 166D.10: Reorganizes and renumbers this
212 25 provision to separate out the rules and the exceptions
212 26 enumerated for the sale, lease, exhibition, loan, movement, or
212 27 relocation of swine within this state.

212 29 this provision establishing the board for veterinary medicine.

212 30 Code section 175B.4: Adds the word "other" before the word
212 31 "programs" to clarify that, in addition to the Iowa farmers'
212 32 market nutrition program, the department of agriculture and
212 33 land stewardship may provide other programs to promote the
212 34 purposes of the federal farmers' market nutrition program.

212 35 Code section 190.12: Numbers provisions relating to

213 1 bacterial and coliform limits in frozen desserts and clarifies
213 2 that the limitations on finding certain levels in samples
213 3 apply to all of the standards set out in the table contained
213 4 in this Code section.
213 5 Code section 191.6: Updates the name of the federal agency
213 6 and the Code of federal regulations citation pertaining to the
213 7 standards for oleo, oleomargarine, or margarine that is
213 8 manufactured or sold in this state to reflect the name of the
213 9 current federal agency in charge of setting that type of
213 10 standard and the currently applicable federal regulations.

213 12 unnumbered paragraphs within this provision relating to the
213 13 adoption of rules regarding safety standards for use of
213 14 anhydrous ammonia by the secretary of agriculture.
213 15 Code section 203C.18: Changes a reference from "the Act"
213 16 to "this chapter" to reflect the fact that Code chapter 203C
213 17 is the Iowa warehouse Act.
213 18 Code sections 203D.1 and 203D.3: Moves a definition of the
213 19 term "purchased grain" from Code section 203D.3 to Code
213 20 section 203D.1 and places it in alphabetical order with other
213 21 definitions for Code chapter 203D.
213 22 Code section 206.6(5): Adds paragraph designations to
213 23 eliminate unnumbered paragraphs and then adds the words "a
213 24 nonresident person is" to complete and clarify a sentence in a
213 25 paragraph that limits when the secretary of agriculture may
213 26 adopt rules for issuing an aviation license to a nonresident
213 27 person to those situations when the nonresident is engaged in
213 28 the aerial application of pesticides.
213 29 Code section 207.15(1), (2), and (5): Adds paragraph
213 30 designations to eliminate unnumbered paragraphs and
213 31 substitutes the words "account for" for the word "consider" to
213 32 clarify that the division of soil conservation of the
213 33 department of agriculture and land stewardship may reassess
213 34 any penalty if necessary to account for facts that were not
213 35 available when the original assessment was made.
214 1 Code section 216.8A(3): Restructures a sentence relating
214 2 to nondiscriminatory conditions that may be imposed by a
214 3 landlord in a renter's agreement to conform the provision with

214 5 discrimination in housing.
214 6 Code section 216.16: Renumbers and restructures a portion
214 7 of this section relating to the issuance of a 60-day
214 8 administrative release by the civil rights commission to break
214 9 the reasons that a release will not be issued into a numbered
214 10 list.
214 11 Code section 216E.7: Substitutes a Code chapter reference
214 12 to Code chapter 154F to reflect changes made by 2008 Iowa
214 13 Acts, chapter 1088, to shift authority and responsibilities

214 15 Code section 229.15: Strikes references to Code chapters
214 16 150 and 150A to conform to changes made regarding physician
214 17 licensure in 2008 Iowa Acts, chapter 1088, in language
214 18 establishing the conditions under which a psychiatric advanced
214 19 registered nurse practitioner may complete a periodic report
214 20 on a patient who has been hospitalized due to chronic mental
214 21 illness.
214 22 Code sections 235.1, 238.1, and 238.2: Consolidates,
214 23 duplicates, and relocates various definitions to clarify that
214 24 definitions contained in Code chapter 235 are also applicable
214 25 in Code chapter 238. In Code section 235.1, a paragraph
214 26 containing definitions that apply in this chapter governing
214 27 child welfare and Code chapter 238 is split and the
214 28 definitions are placed into an alphabetical, numbered list.
214 29 The definitions of the terms "state division",
214 30 "administrator", and "child" from Code section 235.1 are added
214 31 to Code section 238.1, along with a definition of
214 32 "child-placing agency" which is taken from Code section 238.2,
214 33 and all of the definitions are placed in an alphabetical,
214 34 numbered list. Code section 238.2 is then repealed as
214 35 redundant.
215 1 Code sections 235B.3A, 235E.3, 236.12, and 709.22:
215 2 Conforms, in several notice provisions, a provision that
215 3 describes additional information that must be given to victims
215 4 of certain crimes relating to shelters, support groups, and
215 5 crisis lines operating in the area by striking a paragraph
215 6 that follows a description of the contents of a statement of
215 7 rights and subsuming the contents of that paragraph into the
215 8 paragraph which precedes that statement description.
215 9 Code section 235E.2(13)(a): Adds language referencing an
215 10 employee organization in two places which express conditions
215 11 and in which the term "union representative" appears, to

215 12 conform the language to language that appears earlier in this
215 13 paragraph that provides that an employee organization or union
215 14 representative may observe the investigative interview of an
215 15 alleged dependent adult abuser under certain conditions.
215 16 Code section 235E.4: Clarifies, by adding the word
215 17 "where", that Code sections 235B.4 through 235B.20, to the
215 18 extent that they are not inconsistent with Code chapter 235E,
215 19 apply to Code chapter 235E.
215 20 Code section 249A.6(1)(a): Corrects a drafting error in
215 21 the language in this subparagraph by changing the reference to
215 22 "paragraph "a"" to a reference to subparagraph (1), which
215 23 refers to the rights to payments of medical care referred to
215 24 in this subparagraph.
215 25 Code section 252B.5(8): Letters unnumbered paragraphs and
215 26 deletes an obsolete phrase relating to adoption of rules by
215 27 the department of human services regarding review of requests
215 28 for modification of support obligations.
215 29 Code section 256D.2A: Adds the term "budget" to clarify
215 30 that the year period of time during which a school is to
215 31 expend funds to reduce class size is the budget year, which
215 32 for school districts commences on July 1 of each calendar
215 33 year.
215 34 Code section 256D.4A: Strikes the word "section" and
215 35 replaces it with the word "chapter" because the payments and
216 1 expenditures referred to in this Code section are authorized
216 2 in other Code sections within this Code chapter.
216 3 Code section 257.11(3): Changes the word "of" to the word
216 4 "times" and the word "and" to the word "or" to clarify the
216 5 relationship between the numeric and percentage components in
216 6 the formula used to calculate the amount of additional
216 7 weighting to be assigned for pupils who attend community
216 8 college-offered classes. The numeric and percentage
216 9 components of the formula in this paragraph are described in
216 10 this paragraph in reverse order from that used in other places
216 11 in this Code section.
216 12 Code section 260C.14: Substitutes the word "program" for
216 13 "Act" in three places to reflect the repeal of the former
216 14 postsecondary enrollment options Act, previously contained in
216 15 Code chapter 261C, and the enactment of the postsecondary
216 16 enrollment options program in new Code chapter 261E in 2008
216 17 Iowa Acts, chapter 1181.
216 18 Code section 262.9(4): Splits apart, in language
216 19 describing duties of the state board of regents, two
216 20 provisions which articulate the two different duties of
216 21 managing both real and personal property of the regents
216 22 institutions and purchasing soybean-based inks. Incorrect
216 23 internal references to the entire Code section are also
216 24 changed to refer only to the requirement to purchase
216 25 soybean-based inks in what becomes new subsection 4A.
216 26 Code section 279.13(1): Changes the word "applicants" to
216 27 the singular form "the applicant" to conform with prior
216 28 language regarding the search for criminal and child abuse
216 29 background information regarding an individual who is seeking
216 30 employment as a teacher in a school district.
216 31 Code section 282.18: Streamlines language relating to open
216 32 enrollment of children in schools by combining the two
216 33 subsections that deal with school desegregation and conforming
216 34 the language currently contained in subsection 12 to reflect
216 35 the changes made to subsection 3 in 2008 Iowa Acts, chapter
217 1 1071; by moving language relating to adoption of school
217 2 policies regarding "insufficient classroom space" to become
217 3 part of subsection 2, where the issue first arises; by
217 4 renumbering the provision to accommodate the changes and
217 5 eliminate unnumbered paragraphs; and by correcting internal
217 6 references.
217 7 Code section 282.26: Numbers the paragraphs in this
217 8 provision regarding high school students attending college
217 9 courses to allow substitution of specific subsection
217 10 references in lieu of a more general reference to "the
217 11 foregoing provisions".
217 12 Code section 294A.9: Adds the repeal, on the same date, of
217 13 a subsection which serves only to repeal other subsections on
217 14 June 30, 2009. This provision takes effect upon enactment.
217 15 Code section 294A.25: Adds the word "fiscal" before the
217 16 word "year" to conform later language regarding later
217 17 appropriations to the initial reference to the "fiscal year
217 18 beginning July 1, 2009".
217 19 Code section 297.10: Updates language in this provision
217 20 regarding compensation for use of school property to clarify
217 21 that the "such use" is the use of a schoolhouse and
217 22 schoolhouse grounds and that the compensation paid is to be

217 23 used for supplies for that school property.
217 24 Code section 298.3: Renumbers this provision to eliminate
217 25 unnumbered paragraphs and changes the term "energy
217 26 conservation measures" to "energy management improvement" to
217 27 reflect the changes made to Code sections 473.19, 473.20, and
217 28 473.20A by 2008 Iowa Acts, chapter 1126.
217 29 Code section 298.18: Numbers and letters unnumbered
217 30 paragraphs in this Code section and replaces references to
217 31 "hereinafter" provided and referred to "herein" with language
217 32 indicating that the reader will find the language or exception
217 33 indicated within this Code section.
217 34 Code sections 306C.10 and 306C.11: Moves a definition of
217 35 the term "specific information of interest to the traveling
218 1 public" from Code section 306C.11 to Code section 306C.10 to
218 2 place it in alphabetical order within the other definitions
218 3 that apply within that division of Code chapter 306C and
218 4 renumbers Code section 306C.11 to eliminate unnumbered
218 5 paragraphs.
218 6 Code section 307.21: Restructures the provision to
218 7 separate language establishing the general duties of the
218 8 administrator of administrative services of the department of
218 9 transportation from more specific requirements relating to the
218 10 manner in which certain of those duties are to be carried out
218 11 and from permissive language that allows the administrator to
218 12 perform administrative services duties in cooperation with the
218 13 department of administrative services.
218 14 Code section 312.2: Renumbers this provision to separate
218 15 the allotments of road use tax funds made by the treasurer of
218 16 state to the primary road fund, the secondary road fund, the
218 17 farm-to-market road fund, and the street construction fund of
218 18 cities from the credits that are made prior to the allotments
218 19 for various specific uses and to eliminate an unnumbered
218 20 paragraph.
218 21 Code section 314.2: Strikes the words "the foregoing
218 22 provisions" and substitutes "this section" to clarify that the
218 23 prohibition against state or county officials or employees
218 24 having interests in any contract for highway, bridge, or
218 25 culvert construction, reconstructions, improvement, or
218 26 maintenance is the provision that, if violated, will
218 27 invalidate the contract and prevent recovery of consideration
218 28 under the contract.
218 29 Code section 321.52A: Strikes an obsolete reference to a
218 30 provision under which this surcharge is no longer imposed.
218 31 Before a change in the system used by the department of
218 32 transportation to note security interests on certificates of
218 33 title, a surcharge was issued when an owner requested that a
218 34 new certificate be issued that showed the notation. This was
218 35 because the notation had to be manually added to the
219 1 certificate, rather than being generated automatically upon
219 2 notation of the interest in the department of transportation's
219 3 system. Because of the changeover in the department's
219 4 computer system, the new certificates are generated
219 5 automatically, without the additional manual intervention, and
219 6 the department ceased imposition of the surcharge for issuance
219 7 of a certificate of title for this type of notation.
219 8 Code sections 321.92 and 321.463: Renumbers and eliminates
219 9 a redundant reference to a "paragraph "b"" in a definition
219 10 which is combined with another definition into a numbered list
219 11 in Code section 321.463. Language relating to fraudulent
219 12 altering or defacing of product identification plates is
219 13 stricken from Code section 321.463 and is moved to Code
219 14 section 321.92.
219 15 Code section 321.231(5): Strikes the word "foregoing" and
219 16 inserts "of this section" to clarify that none of the
219 17 provisions of this Code section relieve an authorized
219 18 emergency vehicle operator or police bicycle rider from the
219 19 duty to drive or ride safely.
219 20 Code section 321.285: Renumbers this provision
219 21 establishing speed restrictions on motor vehicles to eliminate
219 22 unnumbered paragraphs; clarifies language that sets out the
219 23 general rules applicable to lawful speeds by moving language
219 24 referring to the lawful speed to a location after the listing
219 25 of a number of exceptions; substitutes "unless otherwise
219 26 provided in this section or by" for "notwithstanding any" to
219 27 clarify that some of the exceptions to the general 55 miles
219 28 per hour speed limit are contained within this Code section;
219 29 and supplies some missing words to complete the sentence
219 30 establishing what the appropriate speed is on various
219 31 secondary roads under certain conditions.
219 32 Code section 321.488: Strikes the word "foregoing" to
219 33 clarify that any provision within the Code chapter that

219 34 applies to the making of arrests without a warrant.
219 35 Code sections 321.506 and 461B.8: Strikes the word
220 1 "foregoing" and adds "of this chapter" to clarify that the
220 2 other qualifying language in this provision, that narrows the
220 3 applicability of this provision to language relative to
220 4 service of original notice of suit on nonresidents, is the
220 5 controlling factor in determining the validity of service of
220 6 process under Code chapters 321 and 461B.
220 7 Code section 321.376: Adds a reference to "osteopathic
220 8 physician" after the word "physician" and strikes a reference
220 9 to Code chapter 150A to conform with changes made by 2008 Iowa
220 10 Acts, chapter 1088, in language relating to the conducting of
220 11 hearing tests.
220 12 Code section 321A.7: Updates language in this provision
220 13 regarding suspension of licenses until proof of financial
220 14 responsibility has been filed by inserting words to clarify
220 15 the meaning of certain clauses, dividing sentences currently
220 16 conjoined with semicolons, and adding language that indicates
220 17 that certain conditions precede the department taking certain
220 18 actions under this Code section.
220 19 Code section 330A.10: Numbers a provision to eliminate
220 20 unnumbered paragraphs and replaces the words "aforementioned
220 21 provisions" with "subsection 1" to clarify that subsection 1
220 22 is the provision being excepted in language authorizing an
220 23 authority to deposit funds in any bank or trust company if an
220 24 agreement is reached with the bond holders.
220 25 Code section 331.653(27): Replaces a reference to Code
220 26 section 297.28 that was inadvertently stricken in 2008 Iowa
220 27 Acts, chapter 1181, section 37.
220 28 Code section 335.22: Strikes the words "the foregoing" and
220 29 adds specific Code section references to Code sections 335.18
220 30 through 335.21 to clarify that the proceedings under those
220 31 Code sections, in this Code chapter pertaining to county
220 32 zoning, are to have preference over all other civil actions
220 33 and proceedings.
220 34 Code section 358.8: Strikes the words "the foregoing" and
220 35 adds specific Code section references to Code sections 358.4
221 1 and 358.5 to clarify that the expenses incurred under those
221 2 sections, together with the costs of the election, are to be
221 3 paid by those who will be benefited by the proposed sanitary
221 4 district.
221 5 Code section 358C.9: Strikes the words "the preceding" and
221 6 adds specific Code section references to Code sections 358C.5
221 7 and 358C.6 to clarify that the expenses incurred under those
221 8 sections, together with the costs of the election, are to be
221 9 paid by those who will be benefited by the proposed real
221 10 estate improvement district.
221 11 Code section 364.17(3): Renumbers and moves language
221 12 relating to enforcement procedures to the end of this
221 13 subsection to eliminate unnumbered paragraphs in this
221 14 provision relating to enforcement of city housing code
221 15 violations. The movement of the language relating to
221 16 enforcement procedures may also correct an old drafting error.
221 17 In both the original and reprinted versions of 1980 House File
221 18 2536, which established this Code section, the paragraph
221 19 containing this language was located at the end of subsection
221 20 3. It was not until what is now paragraph "h" was added by
221 21 amendment that the language appeared before the last
221 22 paragraph.
221 23 Code section 384.84(2) and (3): Conforms the language
221 24 toward the end of two paragraphs, relating to discontinuance
221 25 of utility or enterprise services on rental property or
221 26 premises, to language toward the beginning of the paragraphs
221 27 which refers to the property or premises.
221 28 Code section 414.19: Strikes the words "the foregoing" and
221 29 adds specific Code section references to Code sections 414.15
221 30 through 414.18 to clarify that the proceedings under those
221 31 Code sections, in this Code chapter pertaining to city zoning,
221 32 are to have preference over all other civil actions and
221 33 proceedings.
221 34 Code section 421B.3: Changes the word "the" to the word
221 35 "a" to conform to later language indicating that each
222 1 violation of the prohibition against cigarette sales at less
222 2 than cost is treated as a new violation.
222 3 Code section 422.5: Renumbers, changes subsection lead-in
222 4 language, and corrects internal references in this provision
222 5 establishing the process for computation of personal income
222 6 tax so that the structure of the provision conforms to the
222 7 steps that must be taken to compute the tax.
222 8 Code section 422.7(12), (28), (43), and (53): Renumbers to
222 9 eliminate unnumbered paragraphs in this provision establishing

222 10 the computation mechanism for calculation of personal "net
222 11 income". Obsolete language providing for a waiver of certain
222 12 requirements under a small business tax loan program that was
222 13 phased out in the mid 1980s is deleted. A reference to a
222 14 savings refund adjustment that was eliminated by 2008 Iowa
222 15 Acts, chapter 1178, in favor of a state match adjustment, is
222 16 also deleted. References to the term "adjusted gross income"
222 17 are added in language relating to when a taxpayer may take the
222 18 increasing expensing allowance to clarify what computation is
222 19 being performed for state tax purposes.

222 20 Code section 422.12: Restructures this provision
222 21 enumerating the deductions that may be taken from personal
222 22 income tax liability by moving definitions to the beginning of
222 23 the provision and renumbering and correcting internal
222 24 references as necessary.

222 25 Code section 422.35(6), (6A), (20), and (24): Renumbers to
222 26 eliminate unnumbered paragraphs in this provision establishing
222 27 the computation mechanism for calculation of corporate "net
222 28 income". Obsolete language providing for a waiver of certain
222 29 requirements under a small business tax loan program that was
222 30 phased out in the mid 1980s is deleted. References to the
222 31 term "taxable income" are added in language relating to when a
222 32 taxpayer may take the increasing expensing allowance to
222 33 clarify what computation is being performed for state tax
222 34 purposes.

222 35 Code section 423.3(57): Combines two unnumbered paragraphs
223 1 containing the initial portion of a definition of what
223 2 constitutes a sale of food and food ingredients that are
223 3 exempt from sales tax and conforms the terms used to the
223 4 definitions which follow the language of the new combined
223 5 paragraph.

223 6 Code sections 435.1, 435.2, 435.26, 435.34, and 435.35:
223 7 Moves language contained in definition provisions relating to
223 8 the imposition of property taxes on mobile, modular, and
223 9 manufactured homes to duplicate one provision that applies to
223 10 both manufactured home communities and mobile home parks and
223 11 to create a new Code section 435.2 that specifies when each of
223 12 the types of home is to be assessed and taxed as real estate.
223 13 Language relating to taxation of modular homes is moved from
223 14 its current location in Code section 435.34 and consolidated
223 15 with related provisions in new Code section 435.2, and the
223 16 balance of Code section 435.34, which conflicts with language
223 17 found in Code section 435.22, is eliminated by the Code
223 18 section's repeal. Language in Code section 435.35, which
223 19 conflicts with provisions in Code section 435.1, is eliminated
223 20 by that Code section's repeal, and the remainder moved to Code
223 21 section 435.26. Obsolete language relating to classification
223 22 of manufactured home communities or mobile home parks and the
223 23 applicability of the manufactured home communities or mobile
223 24 home parks residential landlord and tenant Act is stricken.

223 25 Code sections 437A.3, 437A.15, and 437A.19: Renumbers Code
223 26 section 437A.19 to eliminate unnumbered paragraphs and
223 27 corrects several internal references to subsections within
223 28 Code section 437A.19 that appear in Code sections 437A.3 and
223 29 437A.15. The reference changes contained in subsection 29 of
223 30 Code section 437A.3 and 437A.15, subsection 3, are based on
223 31 the renumbering changes in Code section 437A.19. The internal
223 32 reference change and strike of additional in Code section
223 33 437A.15, subsection 3, paragraph "a", correct a drafting error
223 34 made in 2007 Iowa Acts, chapter 150, when Code section
223 35 437A.19, subsection 2, paragraph "b", was amended and
224 1 subparagraph (2) was deleted.

224 2 Code section 450.7(1): Redrafts an initial exception as a
224 3 limitation and renumbers this provision to eliminate
224 4 unnumbered paragraphs.

224 5 Code section 455A.8: Breaks the membership of the Brushy
224 6 creek recreation trails advisory board out into a numbered
224 7 list and clarifies which of the 10 members of the board are
224 8 voting and which are ex officio nonvoting members.

224 9 Code section 455B.191: Reorganizes and clarifies this
224 10 pollution and hazardous substance control provision by moving
224 11 the definition of "hazardous substance" to the beginning of
224 12 the Code section, renumbering the provision, breaking the
224 13 enumeration of prohibited acts into a numbered list, and
224 14 segregating the applicable penalties into separate provisions.

224 15 Code section 455G.4(6): Changes the name of the senate
224 16 committee to which the report relating to claims against the
224 17 Iowa comprehensive underground storage tank fund must be
224 18 submitted, to conform this provision to the changes made
224 19 during the 2009 Session of the 83rd General Assembly to the
224 20 name and duties of the former senate committee on natural

224 21 resources and environment.

224 22 Code section 456A.26: Strikes the words "The foregoing
224 23 sections" and inserts references to Code sections 456A.23
224 24 through 456A.25 to clarify which provisions are not to be
224 25 construed as authorizing the commission to change any penalty
224 26 for violations of game laws, license fees, or change open
224 27 seasons or bag limits for any fish, game, bird, or fur-bearing
224 28 animal.

224 29 Code section 476.6(20): Strikes an obsolete subsection
224 30 that refers to the replacement tax study committee. The
224 31 committee began meeting in 2000, concluded its business in
224 32 2007, and submitted its final report on November 15, 2007.

224 33 Code section 483A.27: Adds words to clarify that a hunter
224 34 safety and ethics education course from another state,
224 35 country, or province that meets the international hunter
225 1 education standards is valid for purposes of meeting the
225 2 requirements for a hunting license in Iowa and that a
225 3 "department=approved" hunter safety and ethics education
225 4 course or shooting sports activities course is what an
225 5 instructor certified by the department may conduct on public
225 6 school property if the proper school board approval is
225 7 obtained.

225 8 Code section 489.108(3): Strikes language and adds the
225 9 word "either" to conform this provision, that specifies two
225 10 situations in which the secretary of state shall authorize the
225 11 use of a noncompliant name by a limited liability company, to
225 12 standard language used to indicate when only two alternatives
225 13 are available under a statute.

225 14 Code section 489.702(5): Corrects in subsection 5,
225 15 paragraph "b", of this Code section an internal reference to
225 16 the provision in which a person is appointed to wind up the
225 17 activities of a limited liability company. The appointment
225 18 provisions are found in subsection 4, not subsection 3.

225 19 Code section 489.1203(10) and (11): Corrects incorrect
225 20 citations to the language that specifies when distributions by
225 21 a limited liability company series are not permissible. The
225 22 listing of situations that was intended to be cited is
225 23 contained in subsection 5 of this Code section, not in Code
225 24 section 489.405.

225 25 Code section 490.831(1): Changes the word "precludes" to
225 26 "does not preclude" in this provision relating to the
225 27 liability of directors of corporations to the corporation or
225 28 to the corporation's shareholders to conform the codified
225 29 version of this provision to the meaning of this provision in
225 30 the language of the original model Act.

225 31 Code section 496C.14: Renumbers this provision to
225 32 eliminate unnumbered paragraphs, strikes the words "the
225 33 foregoing provisions of this section", and adds the words
225 34 "subsections 1 through 4" to clarify when purchase of shares
225 35 of a corporate shareholder is required.

226 1 Code section 499.36A(1): Substitutes the word
226 2 "association" for the word "cooperative" to conform this last
226 3 sentence, relating to when an association director is not
226 4 liable because of having performed director's duties, to the
226 5 initial sentence that requires discharge of duties in good
226 6 faith.

226 7 Code section 502.602(3): Adds the word "or" to this
226 8 provision to clarify where the correct end of the series
226 9 describing when the commissioner of insurance may apply to the
226 10 district court under the uniform securities Act to enforce
226 11 compliance with a subpoena.

226 12 Code section 505.8(7): Adds "and osteopathic physicians"
226 13 after the word "physicians" and strikes the references to Code
226 14 chapters "150, and 150A" to conform with changes made by 2008
226 15 Iowa Acts, chapter 1088, to place osteopathic physicians under
226 16 the same Code chapter 148 licensing procedures and authority
226 17 of the board of medicine as physicians who have a diploma from
226 18 a medical college and have passed the required examinations
226 19 and to repeal the Code chapters under which osteopathic
226 20 physicians were previously regulated.

226 21 Code section 520.14: Strikes the word "foregoing" and adds
226 22 references to Code sections 520.2 through 520.13 to clarify
226 23 which Code sections an attorney must comply with before an
226 24 attorney can exchange reciprocal or interinsurance contracts
226 25 or solicit or negotiate applications for reciprocal or
226 26 interinsurance contracts.

226 27 Code section 541A.3: Adds the word "savings" between the
226 28 words "state" and "match" to conform the terminology used to
226 29 describe the payments made by the state to holders of
226 30 individual development accounts to the correct term: "state
226 31 savings match".

226 32 Code section 554.10103: Strikes a reference to "the
226 33 following" section, which was repealed by 2007 Iowa Acts,
226 34 chapter 30, and replaces it with a reference to Code section
226 35 554.7103, which is the successor statute to former Code
227 1 section 554.10104.
227 2 Code section 556F.17: Replaces the word "aforesaid" with
227 3 "provided in this chapter" and "same according to the
227 4 foregoing provisions" with "property" to clarify that any
227 5 property that is found or recovered and may be considered
227 6 abandoned under Code chapter 556F cannot be traded, sold,
227 7 loaned, or taken out of the state by the finder until the
227 8 person has the right to do so or the person forfeits the right
227 9 to the property.
227 10 Code section 602.10111: Strikes the words "the foregoing
227 11 provisions of" and leaves the words "this article" to clarify
227 12 what procedures an out-of-state attorney must comply with in
227 13 order to appear as an attorney in state court in Iowa.
227 14 Code section 692.18: Numbers this provision and conforms
227 15 the language in what is numbered as subsection 2 to
227 16 confidentiality provisions found in Code section 22.7 that
227 17 relate to confidentiality of intelligence data under the
227 18 public records law, Code chapter 22.
227 19 Code section 707.7: Numbers this provision, moves
227 20 exclusionary language to the end of this provision prohibiting
227 21 feticide, and conforms the language of these provisions to
227 22 changes made by 2008 Iowa Acts, chapter 1088, which placed
227 23 osteopathic physicians under the same Code chapter 148
227 24 licensing procedures and authority of the board of medicine as
227 25 physicians who have a diploma from a medical college and have
227 26 passed the required examinations and repealed the Code
227 27 chapters under which osteopathic physicians were previously
227 28 regulated.
227 29 Code section 714.8(18): Changes the word "price" to
227 30 "product" in two places in definition of the term "universal
227 31 price code label" to correct the term and to conform to
227 32 terminology used elsewhere in the Code.
227 33 Code section 714E.1(3): Changes the word "from" to "for"
227 34 to clarify that the foreclosure consultant is attempting to
227 35 obtain a forbearance, modification, or repayment plan on
228 1 behalf of a beneficiary or mortgagee.
228 2 Code section 714E.4(1): Clarifies that the enumerated
228 3 actions, if taken by a foreclosure consultant, are a violation
228 4 of Code chapter 714E.
228 5 Code section 714F.3(2): Clarifies language relating to
228 6 survival of a foreclosure reconveyance contract and conforms a
228 7 Code reference to the language specifying the requirements for
228 8 those contracts to an earlier reference in this Code section
228 9 to those same contract requirements.
228 10 Code section 714F.6: Splits a run-on sentence and rewrites
228 11 the latter half of the sentence to clarify the form a waiver
228 12 of a foreclosed homeowner's right to cancel must take.
228 13 Code section 714F.9(2): Strikes the words "of any amount"
228 14 to conform to later language in this provision that sets
228 15 threshold limits on the amount of exemplary damages that may
228 16 be awarded by the court.
228 17 Code section 728.15: Restructures this provision to move a
228 18 definition of the word "person" to the beginning of the Code
228 19 section, conform internal uses of terminology and grammar,
228 20 breaks the elements of the offense into a numeric list, and
228 21 places the penalty provisions in a list in a subsection at the
228 22 end of this Code section.
228 23 Code section 805.8B: Changes, in two paragraphs in
228 24 subsections 2 and 2A, the word "identification" to "decal" to
228 25 conform to a terminology change that was made in Code sections
228 26 321G.5 and 321I.6 by 2007 Iowa Acts, chapter 141.
228 27 Code section 820.11: Strikes a reference to "the last"
228 28 section and replaces it with a reference to Code section
228 29 820.10 to clarify which Code section, if disobeyed, would be
228 30 deemed a simple misdemeanor.
228 31 2008 Iowa Acts, chapter 1130, section 4 (Code section
228 32 35B.6(1)): Moves a phrase in this Iowa Act which prohibits
228 33 the employment of members of a county commission of veteran
228 34 affairs by the commission to be a part of language relating to
228 35 the power of the commission to employ certain persons. As a
229 1 result of amendments made in this section of this Act, the
229 2 sentence which related to the powers of the county commissions
229 3 was split in two and this phrase was inadvertently made a part
229 4 of language relating to the compensation of employees of the
229 5 commission.
229 6 2008 Iowa Acts, chapter 1130, section 7 (Code section
229 7 35B.14): Clarifies a series which permits a county board of

229 8 supervisors to appropriate funds for the expenses of food,
229 9 clothing, shelter, utilities, medical benefits, and a funeral
229 10 for veterans, their surviving spouses, and minor children who
229 11 reside in the county. The inclusion of new language in this
229 12 section of this Act relating to appropriation of funds for
229 13 training for an executive director of a county commission of
229 14 veteran affairs inadvertently disrupted the original series
229 15 which clearly allowed the appropriation for the latter
229 16 expenses.

229 17 2008 Iowa Acts, chapter 1191, section 109: Corrects a
229 18 lead-in to this Act so that it correctly reflects the addition
229 19 of a new paragraph "n" to subsection 5 of Code section 257.31,
229 20 not Code section 257.11. Subsection 5 of Code section 257.11
229 21 contains only two lettered paragraphs, and section 108 of this
229 22 same Act refers to the addition of the language relating to
229 23 the submission of requests to the school budget review
229 24 committee by school districts on the basis of language added
229 25 to Code section 257.31, subsection 5, paragraph "n". This
229 26 section of this Act is effective upon enactment and applies
229 27 retroactively to July 1, 2008.

229 28 Code sections 147.57 and 147.114: Requires the Code editor
229 29 to transfer Code section 147.57, which pertains to dental
229 30 hygienists, and Code section 147.114, which pertains to
229 31 inspectors appointed by the dental board, to appropriate
229 32 locations in Code chapter 153, which pertains to the practice
229 33 of dentistry.

229 34 Code sections 216.18 and 216.18A: Requires the Code editor
229 35 to transfer Code section 216.18A to become subsection 2 of
230 1 Code section 216.18 and to number the first paragraph in Code
230 2 section 216.18 as subsection 1. The Code editor is also
230 3 directed to correct any internal references necessary to
230 4 complete the transfer.

230 5 DIVISION II. Restructures, numbers, and renumbers
230 6 provisions in volume II of the Code and in scattered locations
230 7 in other Code volumes. Occasionally, minor changes are made
230 8 in text to conform to existing style of a Code section when
230 9 language is moved within a Code section or from one Code
230 10 section to another location.

230 11 DIVISION III. Makes internal reference changes based on
230 12 the numbering, renumbering, and restructuring of Code sections
230 13 elsewhere in this Act.

230 14 DIVISION IV. Contains effective date and applicability
230 15 provisions.
